## Our Responsible Lending Obligations to You

We are obliged to ensure that any loan, or principal increase to a loan, we help you to obtain, or any lease we help you enter, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable enquiries about your requirements and objectives;
- make reasonable enquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

Credit will be unsuitable for you if, at the time of the assessment, it is likely that the following would apply at the time credit is provided:

- you could not pay or could only pay with substantial hardship; or
- the credit will not meet your requirements or objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason, we must ask you to provide a significant amount of information. It is important that the information you provide is accurate, complete and up-to-date.

We will provide you with a copy of our preliminary assessment of your application, if you ask within seven years of when we provided assistance to you. This requirement is only triggered if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.

## Our Fees and Charges

Generally, no fees or charges are payable by you to us for our credit assistance. In some instances, a fee for service may be required. Details of these fees will be set out in a Credit Quote.

However, you may be charged a lender's application fee, valuation fees and other fees associated with the loan. These fees are not charged by us and will be disclosed to you prior to submission of the credit application. Please note, however, that if a valuation is conducted and you ultimately choose not to proceed with the loan, you may be liable for the valuation fees.

## Commissions

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These fees are not payable by you. You may obtain information relating to reasonable estimates of those commissions and how they are calculated.

When we provide you with credit assistance, you may ask us for a reasonable estimate of the commission likely to be received, directly or indirectly by Vandalay Industries (Finance) Pty Ltd and its credit representatives.

From time to time, we may receive financial or non-financial benefits from Vandalay Industries (Finance) Pty Ltd, lenders, lessors or others. Some or all of a commission received by Vandalay Industries (Finance) Pty Ltd may be paid to our Credit Representatives.

## Referral Commissions

Vow Financial Pty Limited may pay Commissions to our credit representatives for referring to our Diversification Partners such as Vow Legal. Referral Commissions may vary between 20% and 25% of professional fees charged by the Diversification Partner. These fees are not payable by you.

## Referral Fees

We may pay a referral fee (i.e. commission) for third party referrals. An example of a referrer would be a real estate agent or solicitor. This fee is not payable by you. This fee will be disclosed in the Credit Proposal Disclosure Document or equivalent document. You may on request obtain a reasonable estimate of the amount of commission and how it is calculated.

Vandalay Industries (Finance) Pty Ltd and your representative may also receive a benefit for referring you to other specialist service providers.

We do not make any promises about the value or future prospects of any property you finance with us. You should always rely on your own enquiries.

Before you accept your loan offer, make sure you read the credit contract carefully to understand full details of the loan. If you have any doubts, you should obtain independent legal and financial advice before you enter into any loan contract.

We also have obligations under the law to report any fraud, forgery, or other illegal activities. Before using our services, it is important that you understand that we have these obligations to lenders, and under the law.
